

# CCSD Library Learning Commons Certification Rubric

The rubric will take approximately 10 minutes to complete.

Based on the portfolio and virtual visit, please evaluate the school's qualifications to be a recipient of the Cobb County School District's Library Learning Commons Certification. A school must earn an overall score of 12 or higher to qualify for certification. Schools who do not meet the scoring criteria will be provided with specific feedback and encouraged to apply again the following school year. Space is provided at the end to write additional comments, which are shared with the school anonymously. Please mention specific areas of strength and growth opportunities.
